SHEPHERDS' STORIES: Testimonies from the Adopt-a-Church Program

"The training was incredibly helpful, particularly in terms of intentional evangelism and discipleship. I gained a deeper understanding of how to effectively teach or disciple our members. This is a significant help, especially with the Bibles provided by the Philippine Bible Society—many thanks to the donors. I hope many more blessings will come your way. Thank you to everyone who teaches and to the staff who came here. God bless all of you!"

"Our heartfelt thanks to the Philippine Bible Society for the ideas and knowledge we gained from the facilitators of AACP and for the materials you provided us. This is a great help, especially for someone like me who is pioneering in a barangay here in our area. Many are in need of Bibles, and some cannot afford to buy one. This support is significant for us as workers in a pioneering church.

"I believe that the work of the Philippine Bible Society is incredibly beneficial for those who have received Jesus Christ as their Lord and Savior. Many individuals, including new Christians, do not have access to a Bible. I have gained valuable insights from the teachings on discipleship, and I plan to incorporate this new knowledge into our discipleship training. I am deeply grateful to the facilitators and everyone at the Philippine Bible Society. Thank you all very much, and may God bless each of you."

"For three years, I've been praying to God for Bibles and discipleship materials. In our place, one needs to travel 48 miles just to buy Bibles. Sometimes,

people in our church just write the verses on a piece of paper since they do not own a copy of the Bible. That's how hard it is to access Bibles here. God used the Philippine Bible Society to answer our prayers."

"I would give AACP a perfect score of 10, especially because of the discipleship training they conducted. We learned the importance of discipleship; hence, we must give more attention to intentional discipleship in our respective ministries. We also received Bibles for free, so as ministers, we're hoping to reach communities and share the Word of God."

"Our church is located in the most remote place here in San Carlos City, Pangasinan. Most of our members are beneficiaries of 4Ps (Pantawid Pamilyang Pilipino Program). As much as they want to buy their own Bibles, they really cannot afford it. That's why they were very thankful and happy when they received their brand new Bibles and Scripture materials."

LAMENTATIONS 3:21-26

Good News Translation

Yet hope returns when I remember this one thing: The LORD's unfailing love and mercy still continue, fresh as the morning, as sure as the sunrise. The LORD is all I have, and so in him I put my hope. The LORD is good to everyone who trusts in him, so it is best for us to wait in patience— to wait for him to save us.

ROMANS 15:4

New American Bible

For whatever was written previously was written for our instruction, that by endurance and by the encouragement of the scriptures we might have hope.
